
Spiller Serif

Spiller Serif is a serif designed as a companion for Spiller for the Victoria & Albert Museum, London in 2022. In style it is a contemporary form with triangular or 'latin' serif a style pioneered in the late 19th Century when the Museum was founded. With a low contrast it is designed for both headlines and text.

 ABOUT COMMERCIAL TYPE

Based in New York and London, Commercial Type is a joint venture between Paul Barnes and Christian Schwartz, who have collaborated since 2004 on various typeface projects, most notably the award winning Guardian Egyptian. The company publishes retail fonts developed by Barnes and Schwartz, their staff, and outside collaborators, and also represents the two and their team when they work together on type design projects.

Following the redesign of The Guardian, the team headed by Mark Porter, including Barnes and Schwartz, was awarded the coveted Black Pencil by the D&AD. The team was also nominated for the Design Museum's "Designer of the Year" prize. In September 2006, Barnes and Schwartz were named two of the 40 most influential designers under 40 in Wallpaper*.
